VALVI EVAGGELIA & CO Lp
COOKIES POLICY

Valid from July 2019

1. INTRODUCTION

We use technologies on the Website https://bellasantorini.gr/ (the "Website") to collect information that helps us improve your online experience. In this Cookies Policy, we refer to these technologies, which include cookies, pixels and gifs, together called 'Cookies'. This policy explains the different types of cookies used on the Website and how to control them. We reserve the right to change this cookie policy at any time. Check at the top of this page to see when this Cookies Policy applies. Any changes to this Cookies Policy will take effect as soon as the revised Cookies Policy becomes available on the Website. By consenting to the use of Cookies you can enjoy a fuller web browsing experience. We hope this policy helps you understand and feel more secure about our use of cookies. If you have any further questions, please feel free to contact us at info@bellasantorini.gr.

2. WHAT IS "COOKIES"

Cookies are small text files that are installed on your computer, tablet, mobile phone and generally on the device you are browsing at the "Website". They are widely used to make websites work better and more efficiently. They can do this because websites can read and write these files, enabling them to recognize and remember important information that will make using the internet easier for you (e.g. by memorizing user preferences).

3. COOKIES WE USE

Here is a list of different types of Cookies we may use on the "Website".

Essential Cookies. These cookies are important to our "Website", so that we enable you to browse and use its features. Without these absolutely necessary Cookies, we may not be able to provide specific services or features and our "Website" will not function as smoothly as we would like.

Performance Cookies. Performance cookies, sometimes called analytics cookies, collect information about your use of this "Website" and allow us to improve how it operates. For example, Performance Cookies show us which pages are most frequently visited on the site, allowing us to see overall usage patterns on the "Website", helping us to record any difficulties you encounter with the "Website".

Functionality Cookies. In some cases, we may use functionality cookies. Functionality Cookies allow us to remember the choices you make on our "Website" and provide more enriched / enhanced and more personalized features. All of these features help us improve your visit to our "Website".

Flash Cookies. We may, in certain cases, use Adobe Flash Player to view specific content, such as video clips or animation. To improve your user experience, Local Shared Objects (commonly known as "Flash Cookies") are used to provide features such as remembering your settings and preferences. Flash Cookies are stored on your device, but managed through an interface other than that provided by your web browser. This means that you cannot manage Flash Cookies at the browser level in the same way that they manage cookies. Instead, you can access the Flash program management tools directly from the Adobe website. The Adobe site provides detailed information on how to delete or disable Flash Cookies - see http://www.adobe.com/security / flashplayer for further information. Please be aware that unless you enable or disable or reject Flash cookies for this "Website", you may not be able to access certain features, such as video content or services that require your signature.

4. THIRD PARTIES USING COOKIES ON OUR WEBSITE

In some cases, we may work with third parties to provide services on our "Website". Third-party advertisers and other businesses may use their own Cookies to collect information about your activities on our "Website" and / or the ads you choose. This information can be used by them to provide ads that they believe may be of interest to you based on the content you've seen. Third-party advertisers may also use this information to measure the effectiveness of their ads. We do not control these Cookies and in order to disable or reject third party cookies, please refer to the third party website. You can also learn more about controlling Cookies in section 5 below.

5. COOKIES CONTROL

You may not allow or refuse to accept cookies from this "Website" at any time by either disabling the setting in your browser, or enabling the setting in your browser, which allows you to reject them. You may refuse to accept Flash Cookies from this "Website" by using the Adobe Flash management tools at www.adobe.com/security/ flashplayer. More information on the procedure to follow to disable cookies, if you have enabled them, can be found on the provider's website in the browser, through the help window. You may want to refer to www.allaboutcookies.org/manage-cookies/ index.html for information on the most frequently used browsers. Please note that if cookies are not enabled or disabled, it is likely that all features of the "Website" will not function as intended.
